

Perfect Pear Wedding Favors

Pears

PROCLAIM YOU ARE A “PERFECT PEAR,” WITH ELEGANT AND MEMORABLE WEDDING FAVORS. A PAIR OF RED PEARS TIED IN A TULLE BAG, OR WITH AN ORGANDY RIBBON, ALSO MAKES A ROMANTIC FAVOR FOR VALENTINES DAY.

MATERIALS

A. In A Bag

1. Small pears such as Seckel or Forelle (or ask your grocer to order you extra small sizes of another variety such as Anjou or Bosc)

2. Tulle
3. Ribbon
4. Florist wire
5. Optional tag

B. Ribbon Tied

1. Red Anjou pears
2. Ribbon
3. Chocolate heart - (optional)

A. Cut squares of tulle large enough to wrap your pears and provide a decorative poof at the top. Secure the package with a ribbon and tie a bow. (Or use purchased

organdy bags) Add an optional tag “A Perfect Pear” and bow using florist wire (see photo).

B. Slice the bottoms off the pears so they will sit evenly, and rest them on paper towel to absorb excess moisture. Then tie two pears together tightly with a ribbon, making first a knot, then a bow. We used a 3” ribbon. If they are used as a table setting favor, you may want to add a chocolate heart, or sprigs of berries or greens.
